## MEET YOUR NEXT GUEST

**Aditya is not just an agent to me but I consider him as my motivation, guru, and everything. This guy is the sole reason why I am into real estate investing.**

### / Short Bio

## From being an immigrant with over \$100K debt to becoming financially Independent at 30.

Aditya is a software engineer turned real estate agent in Canada making over a million dollars in commissions. He has not just built a dream life for his family but is also helping people create FREEDOM. It all started with 1 youtube video and today he has 20,000+ Subscribers, with over 1 million views, and just last year (2021) he and his company (Wincity Real Estate Team) sold \$75 million of real estate.

Aditya comes from a humble

background in India, and has had a tough childhood. He has seen his father hustle into odd jobs to get the food on the table. And now, finally, he retired his father, paid away all his debt, and is living a Canadian dream with his family.

Aditya has been rated as #1 Real Estate agent in Windsor, ON and he is among the top 40 Real Estate Agents in Canada. In his personal portfolio, he has accumulated 44 doors and counting.

### / Speaking Topics

#### Real Estate

In the last 5 years, I have taught thousands of people how to invest into real estate. I will discuss about strategies that has helped me and my clients build multi-million dollar real estate portfolio. I will also teach you how you can leverage other people's money and build a strong real estate portfolio like I did.

I learned some great lessons in my early days of investing which I'll share with you so you don't have to commit the same mistakes as I did. Real Estate investing could seem a bit scary for some people, my strategies will help you become an overall confident real estate investor.

#### Mindset & Entrepreneurship

How an immigrant from humble background could make a multi-million dollars fortune? What mindset does it take to become successful entrepreneur? I can teach you how I leveraged social media to monetize my passion as well as build my personal brand.
